Exam Prep Workshops - January 10-14, 2011 or Online Anytime

PROJECT MANAGEMENT PROFESSIONAL (PMP®) EXAM PREP WORKSHOP

This workshop is intended to prepare project managers and professionals to sit for the PMP® certification examination. The workshop provides a formalized approach that consists of group learning activities and self study. The workshop is designed to provide the attendees with a thorough and complete review of the theory of Project Management as detailed in the Project Management Institute's Project Management Body of Knowledge (PMBOK®). Attendees will also receive assessments of learning throughout the workshop along with personal study strategies. In the workshop, attendees will identify and discuss the Five Process Groups, the Nine Knowledge Areas, and the 42 Process Areas contained in PMBOK®. This workshop would fulfill one of the PMP® Exam application eligibility requirements (35 contact hours.)
